

Join Us in Philadelphia!

We are looking forward to seeing our friends and colleagues next week as the Family Violence Prevention Forum enters its third year – we have a number of activities planned, either as organizers, or endorsed by the Forum.

We are now approximately a thousand members strong, with members from 44 states and 9 countries!

We would like to have a chance to meet outside of “business hours”, so we are going to have an **informal social gathering on Sunday, November 8th**, at the Marriott, in their lobby lounge area, at 5:30pm, immediately after Poster Session 2062.0. Unfortunately, since we collect no dues, we have no budget, and are unable to underwrite an event (more about that later). Once there, it would be nice if members want to go out to dinner together...

Our **business meeting is Monday, November 9th**, from 6:30pm-8:00pm. While the Executive Committee has nurtured the Forum through its initial 2 years, as we grow, we would like to invite all of you to come to the meeting and help us develop the Forum according to your needs and wishes. The meeting agenda includes Forum sustainability, leadership development, membership growth, newsletter editorship, financial growth in order to have a booth and a social/networking event at future annual meetings, and research directions that can be facilitated by the Forum.

Our **invited sessions** are on Tuesday, November 10th:

Michael Durfee will be moderating **session 4028.0, “Expanding the Evidence Base: Status of Current Research”**, from 8:30am-10am. Invited speakers include Alex Crosby from the CDC, Desmond Runyan from UNC-Chapel Hill, and Myles Edwards from the American Humane Association.

Peggy Goodman will be moderating **session 4099.0, “Plans for Peace: Pennsylvania’s Family Violence Prevention Policies, Programs and Practices”**, from 10:30am-12 Noon. Invited speakers include Pennsylvania Secretary of Public Welfare Estelle Richman, Donna Byrne and Teri Rivera from Bucks County, and Pat West from Philadelphia.

Our **oral abstract sessions** are:

3223.0, Monday November 9th, from 12:30pm-2:00pm, “Addressing Family Violence Prevention with the Underserved”

3320.0, Monday November 9th, from 2:30pm-4:00pm, “Practice and Policy Interventions in Family Violence”

4028.1, Tuesday November 10th from 8:30am-10:00am, “Intersection Between Intimate Partner Violence, Health & Health Sustaining Resources (unfortunately, this session overlaps with one of our invited sessions!)”

Our **poster sessions** are:

2062.0, Sunday, November 8th, from 4:30-5:30pm, “Community Approaches to Family Violence Prevention”

3087.0, Monday, November 9th, from 10:30am-11:30am “Intimate Partner Violence and Access to Resources”
